# THE TEKNEK DCR HAND ROLLERS

Teknek, the world leader in contact cleaning, has now revolutionised their hand held product range. Leading edge ergonomic design combined with the latest advances in cleaning core technologies makes improving your yields simple and reliable.

An ITW Company

## TEKNEK CLEANING CORE - made in Teknek

The combination of our elastomer rubber and engineered adhesive rolls result in the unique, high performance Teknek Cleaning Core. Now **Eco** friendly.

**Knowledge** - global experience - multiple industry sectors

**Innovation** - proprietary technology - scientifically proven

**Value** - unrivalled cleaning performance - highest yield improvement

Without the "core" it's only a conveyor
