

## Product End of Life notification.

As part of the Teknek's ongoing product development we announced the new TWC (Teknek Web Cleaner) to the market in Quarter 3 – 2017. The TWC builds on the ability of our current web cleaning products and has many additional new features that answer the changing needs of high value web converters and machine builders.

The launch of the TWC enables Teknek to simplify our web cleaning range and dis-continue older generation machines.

This document is an **End of Life notification** for the following machines: -

- XCH390
- XCH3112
- SCH
- TCH

			
XCH 390 – up to 1500 wide	XCH 3/113 – 1500 up to 2000	SCH 1000 up to 2200	TCH widths 300 - 1500

Key dates in the plan: -

Issue of discontinuation notice	7th Sept 2017
XCH390/112 / TCH and SCH last manufacture date	29th December 2017
All new Web Cleaning projects move to the TWC	17th September 2017
Outstanding quotations on SCH/XCH30/3112 to honoured until	13th November 2017
Last chance to buy NOTICE issued	30th September 2017

Support for existing machines in the field will continue for 7 years from the issue of this notice. Full technical support is available through our existing network of trained engineers. Teknek rollers and adhesive rolls will continue to be available.

Please contact your local dealer or sales representative to get more information on the exciting new TWC machines.
