

THE TEKNEK TEKWIPE

An ITW Company

“Best Cleaning, Best Value”

An ITW Company

Using Tekwipes will maintain cleaning performance

It is all about the roller!

The Teknek Tekwipe is used to keep all cleaning rollers operating at peak efficiency. The clean room grade wipe is also suitable for wiping down work surfaces leaving a clean sterile area.

Using the latest "microfibre" technology the Teknek Tekwipe :-

- Will lift more contamination
- Is stronger
- Will stay wet for longer

Microfibre v Conventional wipe
